Our ref: WEE/FC0002ZS/ATF

Your ref:

Date: 18 July 2007

Dear Mr Webber,

**WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT REGULATIONS 2006**

**DECISION ON APPLICATION FOR APPROVAL AS AN APPROVED AUTHORISED TREATMENT FACILITY (AATF).**

The Environment Agency has considered your application and grants approval to '*Euro Recycling Ltd*' to operate AATF(s) at the following site(s)

Site Name and Address	Approval Number
Euro Recycling Ltd Unit N1, Hallen Industrial Estate, Severn Road, Hallen, Bristol, BS10 7SE	WEE/FC0002ZS/ATF

This approval requires that you comply with the conditions of approval for each site listed (a copy of the conditions is attached). Your approval will allow you to issue evidence notes for Waste Electrical and Electronic Equipment (WEEE) which is received at this/these sites and which is subsequently re-used, treated, recovered and/or recycled.

You can only issue Evidence notes in the following circumstances:

- Where the WEEE is received by you and is subsequently re-used as a whole appliance (frequently regarded as refurbishment)
- Where the WEEE is treated by you or another ATF and subsequently recovered or recycled by a UK recovery/recycling site(s)
- Where the WEEE is treated by you or another ATF and the resulting WEEE materials are exported by an Approved Exporter

This approval does not replace any other environmental authorisation(s) that you may have for the site(s). You must continue to comply with these and other relevant legislation. You must ensure that you have a Waste Management Licence, a Paragraph 49 exemption or a Paragraph 51 exemption (where applicable) that allows you to treat WEEE. You must treat the WEEE according to Best Available Treatment, Recovery & Recycling Techniques (BATRRT). Guidance on these requirements can be found on Defra's website at:

<http://www.defra.gov.uk/environment/waste/topics/electrical/pdf/weee-batrrt-guidance.pdf?lang=e>.
